Sir/Madam,

Rural Electrification Corporation Limited (REC), a scheduled "A" NAVARATNA Public Sector Enterprise under the administrative control of the Ministry of Power, Government of India, was incorporated on July 25, 1969 under the Companies Act 1956. From the formative years beginning in 1969 when the company financed mainly pumpset energization and village electrification schemes, the company has come a long way and today it is one of the leading public financial institutions in the country offering a wide range of products to finance the needs of the power sector across the value chain throughout the country.

REC Power Distribution Company Limited (REC PDCL), a wholly owned subsidiary company REC, which is rendering expert consultancy services in power sector in general and Distribution sector in particular as per the needs of the power utilities across the country having project outlay in excess of Rs. 50,000 crores, is looking for experienced professionals on deputation basis. Presently, REC PDCL is working extensively in the power distribution sector with relevant key assignments in implementation of projects in Renewable Energy, Smart Grid Projects, Information Technology, e-Governance projects etc. The requisite qualification, age, experience etc for the positions required on deputation are given below:
