Independent Auditors' Report on Quarterly and Year to Date Audited Consolidated Financial Results of WEST BENGAL STATE ELECTRICITY DISTRIBUTION COMPANY LIMITED pursuant to the Regulation 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of

West Bengal State Electricity Distribution Company Limited

Report on the Audit of the Consolidated Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date consolidated financial results of West Bengal State Electricity Distribution Company Limited (hereinafter referred to as "the Company") and its Associate (the Company and its Associate together referred to as "the Group") for the quarter ended March 31, 2025 and the year to date results for the period from April 1, 2024 to March 31, 2025 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate audited financial statements and other financial information of the associate referred to in Other Matter paragraph below, the Statement:

- i) includes the quarterly and year to date financial results of the following entities:

Sr. No.	Name of the entity
A	Associates
I	West Bengal Green Energy Development Company Limited

- ii) is presented in accordance with the requirements of Regulation 52 of the Listing Regulations in this regard; and

- iii) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian accounting standards (Ind AS) and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter ended March 31, 2025 as well as year to date results for the period from April 1, 2024 to March 31, 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in “Other Matter” paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matters in the Statement:

- i. Note No. 10, wherein Regulatory Deferral Account Debit Balance is Rs.2046727 Lakhs. While determining the tariff, Regulator kept the uncontrollable expenditures like average power purchase cost (which has increased significantly in last 8-9 years) at lower levels to accommodate the admitted regulatory assets. Moreover, the regulator provides a mechanism where it can recover the variance in power purchase cost through Monthly Variable Cost Adjustment (MVCA) which is not being exercised by the Company. Thus, such Tariff structure does not truly reflect the cost of supply and this additional cost incurred by the Company will come up again in the form of further accumulation of Regulatory Assets.
- ii. Note No. 16, wherein it is stated that the Govt. of West Bengal has sanctioned Rs.370000 Lakhs as Revenue Grant to meet the revenue deficit arising due to under recovery of cost in tariff. Further, out of such Revenue Grants, Rs.82500 Lakhs was related to the FY. 2023-24 and balance Rs.287500 Lakhs was for the FY. 2024-25. Such amounts have been appropriated by the Company to reduce the Regulatory Deferral Account Debit Balance. Out of the sanctioned amount, Rs.150000 Lakhs has been received by the Company during the year and for the balance of Rs. 220000 Lakhs, sanction letter from Govt. of WB has been received. Even after receipt of the Revenue Grant, the Regulatory Deferral Account Debit Balance remains at Rs.2046727 Lakhs, which is quite alarming.
- iii. Note No. 10, wherein it is stated that the amount withheld in Annual Performance Review (APR) Orders from 2013-14 to 2022-23 under Regulatory Deferral Account Debit Balances is Rs.217665 Lakhs. As per the explanations given by the management, the Company has fulfilled or in the process of fulfilment of the conditions as set forth by the regulator, West Bengal Electricity Regulatory Commission (WBERC) and accordingly this amount would be adjusted in subsequent years of tariff.
- iv. Note No. 10, wherein it is stated that Carrying Cost under appeal to Appellate Tribunal for Electricity (APTEL) under Regulatory Deferral Account Debit Balances is Rs.574739 Lakhs. As per the explanations given by the management, carrying cost is admissible within the regulatory framework and APTEL has pronounced many judgements in this context.

- v. Note No. 10, wherein it is stated that the application for APR 2023-24 as submitted is Rs.193715 Lakhs after adjustment of Rs.82500 Lakhs realised from the State Government as Revenue Grant and further application for APR 2024-25 yet to be submitted is Rs.200874 Lakhs. Considerable part of the said amount includes the cost of Fuel & Power Purchases. Electricity (Amendment) Rules, 2022 was notified on 29th December' 2022 and provided the methodology for recovery of the costs, arising on account of the variation in the price of fuel, or power purchase costs through Fuel & Power Purchase Adjustment Surcharge (FPPAS) from the consumers. As per the explanations given by the management, its regulator, WBERC has not yet directed any modified/ amended methodology to be adopted and the time of its enforcement. Accordingly, FPPAS are not recovered from the consumers from the F.Y. 2022-2023 onwards. However, WBERC had determined the Fuel & Power Purchase Cost Adjustment (FPPCA) as per its own existing regulation in the APR for the year 2022-23.
- vi. Capital Work-in-Progress (CWIP) of Rs.448569 Lakhs is capitalised to Property Plant & Equipment (PPE) during the F.Y. 2024-25. We have noted that the date of capitalisation of PPE, Stand by Equipment, Insurance Spares & related costs as marked in the accounting software, SAP are being delayed from the actual date of installation/commissioning of that PPE during the F.Y. 2024-25. However, any further delay in capitalisation is generally now restricted through the developed system controls from the last month of the year.
- vii. Inventory lying with Third Party under the head Inventories in Current Assets is Rs.28325 Lakhs. Ageing analysis of Inventory Lying with Third Party represents Rs.8080 Lakhs which has remained unadjusted for more than one year & further balance confirmation also has not been obtained against these advances.
- viii. Trade Receivables is Rs.609269 Lakhs. It is observed that this includes Rs.147710 Lakhs related to Non-Government disconnected consumers whose collectability is doubtful and yet to be ascertained by the management. However, provision in this respect of Rs.59491 Lakhs exists in the books of accounts, which includes Expected Credit Loss (ECL) of Rs.9180 Lakhs. The methodology of determining ECL needs to be reviewed by the management on annual basis.

Our opinion on the Statement is not modified in respect of these matters.

Management's Responsibilities for the Consolidated Financial Results

These quarterly financial results as well as the year to date consolidated financial results have been prepared on the basis of the reviewed Consolidated Financial Results for the nine-month period ended December 31, 2024, the audited Consolidated Financial Statements as at and for the year ended March 31, 2025.

The Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with the applicable Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting

policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Company, as aforesaid.

In preparing the Consolidated Financial Results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with Those Charged With Governance (TCWG) of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- i. We have placed reliance on technical/commercial evaluation by the management with respect to the categorization and quantification of technical information within the regulatory framework related to the generation, distribution & trading of power and evaluation & timelines for completion of projects under progress.
- ii. The Company has not created any contingent liability related to a litigation on the applicability of the Revision of Pay and Allowances Rules, 2009 (ROPA), wherein Company may be required to pay to its employees, Dearness Allowance at Central Government rates from January' 2020, if the case goes against the Company.

- iii. The Statement do not have any impact on the group's share of net profit (including Other Comprehensive Income) for the year ended March 31, 2025 based on financial statements of 1 (One) associate, West Bengal Green Energy Development Company Limited not audited by us.

The financial statements/ financial information of this associate is audited by other auditor and have been furnished to us by the Company's Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid associate, is based solely on such audited financial statements/ financial information. In our opinion and according to the information and explanations given to us by the Company's Management, this financial statements / financial information is not material to the Group.

Our opinion on the Statement is not modified in respect of these matters.

Independent Auditors' Report on Quarterly and Year to Date Audited Standalone Financial Results of WEST BENGAL STATE ELECTRICITY DISTRIBUTION COMPANY LIMITED pursuant to the Regulation 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of

West Bengal State Electricity Distribution Company Limited

Report on the Audit of the Standalone Financial Results

Opinion

We have audited the accompanying Statement of Standalone Financial Results of **West Bengal State Electricity Distribution Company Limited** ("the Company") for the quarter ended March 31, 2025 and the year to date results for the period from April 1, 2024 to March 31, 2025 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these Standalone Financial Results:

- i) are presented in accordance with the requirements of Regulation 52 of the Listing Regulations in this regard; and
- ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter ended March 31, 2025 as well as year to date results for the period from April 1, 2024 to March 31, 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matters in the Notes to the Statement: -

- i. Note No. 10, wherein Regulatory Deferral Account Debit Balance is Rs.2046727 Lakhs. While determining the tariff, Regulator kept the uncontrollable expenditures like average power purchase cost (which has increased significantly in last 8-9 years) at lower levels to accommodate the admitted regulatory assets. Moreover, the regulator provides a mechanism where it can recover the variance in power purchase cost through Monthly Variable Cost Adjustment (MVCA) which is not being exercised by the Company. Thus, such Tariff structure does not truly reflect the cost of supply and this additional cost incurred by the Company will come up again in the form of further accumulation of Regulatory Assets.
- ii. Note No. 16, wherein it is stated that the Govt. of West Bengal has sanctioned Rs.370000 Lakhs as Revenue Grant to meet the revenue deficit arising due to under recovery of cost in tariff. Further, out of such Revenue Grants, Rs.82500 Lakhs was related to the FY. 2023-24 and balance Rs.287500 Lakhs was for the FY. 2024-25. Such amounts have been appropriated by the Company to reduce the Regulatory Deferral Account Debit Balance. Out of the sanctioned amount, Rs.150000 Lakhs has been received by the Company during the year and for the balance of Rs. 220000 Lakhs, sanction letter from Govt. of WB has been received. Even after receipt of the Revenue Grant, the Regulatory Deferral Account Debit Balance remains at Rs.2046727 Lakhs, which is quite alarming.
- iii. Note No. 10, wherein it is stated that the amount withheld in Annual Performance Review (APR) Orders from 2013-14 to 2022-23 under Regulatory Deferral Account Debit Balances is Rs.217665 Lakhs. As per the explanations given by the management, the Company has fulfilled or in the process of fulfilment of the conditions as set forth by the regulator, West Bengal Electricity Regulatory Commission (WBERC) and accordingly this amount would be adjusted in subsequent years of tariff.
- iv. Note No. 10, wherein it is stated that Carrying Cost under appeal to Appellate Tribunal for Electricity (APTEL) under Regulatory Deferral Account Debit Balances is Rs.574739 Lakhs. As per the explanations given by the management, carrying cost is admissible within the regulatory framework and APTEL has pronounced many judgements in this context.
- v. Note No. 10, wherein it is stated that the application for APR 2023-24 as submitted is Rs.193715 Lakhs after adjustment of Rs.82500 Lakhs realised from the State Government as Revenue Grant and further application for APR 2024-25 yet to be submitted is Rs.200874 Lakhs. Considerable part of the said amount includes the cost of Fuel & Power Purchases. Electricity (Amendment) Rules, 2022 was notified on 29th December' 2022 and provided the methodology for recovery of the costs, arising on account of the variation in the price of fuel, or power purchase costs through Fuel & Power Purchase Adjustment Surcharge (FPPAS) from the consumers. As per the explanations given by the management, its regulator, WBERC has not yet directed any modified/ amended methodology to be adopted and the time of its enforcement. Accordingly, FPPAS are not recovered from the consumers from the F.Y. 2022-2023 onwards. However, WBERC had

determined the Fuel & Power Purchase Cost Adjustment (FPPCA) as per its own existing regulation in the APR for the year 2022-23.

- vi. Capital Work-in-Progress (CWIP) of Rs.448569 Lakhs is capitalised to Property Plant & Equipment (PPE) during the F.Y. 2024-25. We have noted that the date of capitalisation of PPE, Stand by Equipment, Insurance Spares & related costs as marked in the accounting software, SAP are being delayed from the actual date of installation/commissioning of that PPE during the F.Y. 2024-25. However, any further delay in capitalisation is generally now restricted through the developed system controls from the last month of the year.
- vii. Inventory lying with Third Party under the head Inventories in Current Assets is Rs.28325 Lakhs. Ageing analysis of Inventory Lying with Third Party represents Rs.8080 Lakhs which has remained unadjusted for more than one year & further balance confirmation also has not been obtained against these advances.
- viii. Trade Receivables is Rs.609269 Lakhs. It is observed that this includes Rs.147710 Lakhs related to Non-Government disconnected consumers whose collectability is doubtful and yet to be ascertained by the management. However, provision in this respect of Rs.59491 Lakhs exists in the books of accounts, which includes Expected Credit Loss (ECL) of Rs.9180 Lakhs. The methodology of determining ECL needs to be reviewed by the management on annual basis.

Our opinion on the Statement is not modified in respect of these matters.

Management's Responsibilities for the Statement

These quarterly Standalone Financial Results as well as the year to date Standalone Financial Results have been prepared on the basis of the reviewed Standalone Financial Results for the nine-month period ended December 31, 2024, the audited Standalone Financial Statements as at and for the year ended March 31, 2025.

The Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate Internal Financial Controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Those Charged With Governance (TCWG) regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

Other Matters

- i. We have placed reliance on technical/commercial evaluation by the management with respect to the categorization and quantification of technical information within the regulatory framework related to the generation, distribution & trading of power and evaluation & timelines for completion of projects under progress.
- ii. The Company has not created any contingent liability related to a litigation on the applicability of the Revision of Pay and Allowances Rules, 2009 (ROPA), wherein Company may be required to pay to its employees, Dearness Allowance at Central Government rates from January' 2020, if the case goes against the Company.

Our opinion on the Statement is not modified in respect of these matters.
