Independent Auditor's Limited Review Report on the Unaudited Consolidated Financial Results for the quarter ended on June 30, 2025 of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To
The Board of Directors
West Bengal State Electricity Distribution Company Limited
Kolkata

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **West Bengal State Electricity Distribution Company Limited** ('the Company') for the quarter ended June 30, 2025 (hereinafter referred to as "the Statement" and signed by us for the purpose of identification), being submitted by the Company pursuant to the requirement of regulation 52 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. The Statement Includes the results of following entities:-

Name of the Company	Relationship
West Bengal Green Energy Development Corporation Limited	Associate

5. Based on our review conducted as above, we observed that

- i) the Company has defaulted in payment of 8.5% Pension Trust Bonds 2016 (against Government Guarantee) which had become due for payment on 31.03.2022. Balance Outstanding as on 30.06.2025 Rs. 396.84 Crores.

and in our Opinion and to the best of our information and according to the explanations given to us, subject to Note No.-8 (read with Note No.-10 & 11) in Annexure-N, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Financial Results, prepared in accordance with applicable Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under or by the Institute of Chartered Accountants of India and other recognized accounting principles generally accepted in India, has not disclosed the information, except the matter referred in the paragraph 5(i) above, required to be disclosed in terms of regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

6. We draw attention to the Note No. 8, 10 & 11 to the Statement: -

- i) Regulatory deferral account debit balance is Rs.21,19,980 Lakhs. While determining the tariff, Regulator kept the uncontrollable expenditures like average power purchase cost (which has increased significantly in last 8-9 years) at lower levels to accommodate the admitted regulatory assets. Moreover, the regulator provides a mechanism where it can recover the variance in power purchase cost through Monthly variable Cost Adjustment (MVCA) which is not being exercised by the Company. Thus, such Tariff structure does not truly reflect the cost of supply, and this additional cost incurred by the Company will come up again in the form of further accumulation of Regulatory Assets.

- ii) Regulatory Deferral Account Debit Balance includes the costs arising on account of the variation in the price of Fuel & Power Purchases. Electricity (Amendment) Rules, 2022 was notified on 29th December' 2022 and provided the methodology for recovery of the costs, arising on account of the variation in the price of fuel, or power purchase costs through Fuel & Power Purchase Adjustment Surcharge (FPPAS) from the consumers. As per the explanations given by the management, its regulator, West Bengal Electricity Regulatory Commission (WBERC) has not yet directed any modified/amended methodology to be adopted and the time of its enforcement. Accordingly, FPPAS are not recovered from the consumers from the F.Y. 2022-23 onwards. However, WBERC had determined the Fuel & Power Purchase Cost Adjustment (FPPCA) as per its own existing regulation in the APR for the year 2022-23.
- iii) Managements evaluation of risk associated with Regulatory Deferral Account Debit Balance in view of issuance of Annual Performance Review (APR) Orders up to 2022-23 & Tariff Order upto 2025-26, where the Regulator had Withheld Rs. 2,17,665 lakhs (which includes Rs. 1,77,736 lakhs on account of non-payment of liabilities owing to Terminal benefit fund of its employees and Rs. 39,929 lakhs for other matters) pending certain compliances and disallowed Carrying and Other Cost of Rs. 6,01,290 Lakhs and Rs. 11,978 Lakhs which was not provided for in the books of Accounts as the matter is pending before Appellate Tribunal for Electricity (APTEL) and West Bengal Electricity Regulatory Commission (WBERC) respectively.

Our conclusion on the Statement is not modified in respect of the above matters.

Other Matters

7. We placed reliance on technical/commercial evaluation by the management with respect to the categorization and quantification of technical information within the regulatory framework related to the generation, distribution & trading of power and evaluation & timelines for completion of projects under progress.

8. The accompanying Statement also includes the Group's share of net profit/(loss) after tax of Rs. Nil and total comprehensive income of Rs. Nil for the quarter ended June 30, 2025, as considered in the Statement, in respect of an Associate, West Bengal Green Energy Development Corporation Limited, based on its interim financial results/information, which has not been reviewed by their auditor or by us. These, interim financial results/information are certified by their management. According to the information and explanations given to us by the Management, these, interim financial results/information are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matters.

Independent Auditor's Limited Review Report on the Unaudited Standalone Financial Results for the quarter ended on June 30, 2025 of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To
The Board of Directors
West Bengal State Electricity Distribution Company Limited
Kolkata

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **West Bengal State Electricity Distribution Company Limited** ('the Company') for the quarter ended June 30, 2025 (hereinafter referred to as "the Statement" and signed by us for the purpose of identification), being submitted by the Company pursuant to the requirement of regulation 52 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "*Interim Financial Reporting*" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, we observed that

- i) the Company has defaulted in payment of 8.5% Pension Trust Bonds 2016 (against Government Guarantee) which had become due for payment on 31.03.2022. Balance Outstanding as on 30.06.2025 Rs. 396.84 Crores.

and in our Opinion and to the best of our information and according to the explanations given to us, subject to Note No.-8 (read with Note No.-10 & 11) in Annexure-N, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Financial Results, prepared in accordance with applicable Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under or by the Institute of Chartered Accountants of India and other recognized accounting principles generally accepted in India, has not disclosed the information, except the matter referred in the paragraph 4(i) above, required to be disclosed in terms of regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

5. We draw attention to the Note No. 8, 10 & 11 to the Statement: -

- i) Regulatory deferral account debit balance is Rs.21,19,980 Lakhs. While determining the tariff, Regulator kept the uncontrollable expenditures like average power purchase cost (which has increased significantly in last 8-9 years) at lower levels to accommodate the admitted regulatory assets. Moreover, the regulator provides a mechanism where it can recover the variance in power purchase cost through Monthly variable Cost Adjustment (MVCA) which is not being exercised by the Company. Thus, such Tariff structure does not truly reflect the cost of supply, and this additional cost incurred by the Company will come up again in the form of further accumulation of Regulatory Assets.
- ii) Regulatory Deferral Account Debit Balance includes the costs arising on account of the variation in the price of Fuel & Power Purchases. Electricity (Amendment) Rules, 2022 was notified on 29th December' 2022 and provided the methodology for recovery of the costs, arising on account of the variation in the price of fuel, or power purchase costs through Fuel & Power Purchase Adjustment Surcharge (FPPAS) from the consumers. As per the explanations given by the management, its regulator, West Bengal Electricity Regulatory Commission (WBERC) has not yet directed any modified/amended methodology to be adopted and the time of its enforcement.

Accordingly, FPPAS are not recovered from the consumers from the F.Y. 2022-23 onwards. However, WBERC had determined the Fuel & Power Purchase Cost Adjustment (FPPCA) as per its own existing regulation in the APR for the year 2022-23.

- iii) Managements evaluation of risk associated with Regulatory Deferral Account Debit Balance in view of issuance of Annual Performance Review (APR) Orders up to 2022-23 & Tariff Order upto 2025-26, where the Regulator had Withheld Rs. 2,17,665 lakhs (which includes Rs. 1,77,736 lakhs on account of non-payment of liabilities owing to Terminal benefit fund of its employees and Rs. 39,929 lakhs for other matters) pending certain compliances and disallowed Carrying and Other Cost of Rs.6,01,290 Lakhs and Rs. 11,978 Lakhs which was not provided for in the books of Accounts as the matter is pending before Appellate Tribunal for Electricity (APTEL) and West Bengal Electricity Regulatory Commission (WBERC) respectively.

Our conclusion on the Statement is not modified in respect of the above matters.

Other Matters

6. We placed reliance on technical/commercial evaluation by the management with respect to the categorization and quantification of technical information within the regulatory framework related to the generation, distribution & trading of power and evaluation & timelines for completion of projects under progress.

Our conclusion on the Statement is not modified in respect of the above matters.
