

It is also proposed that the proposal for rental of the transformer can only be accepted subject to the fulfilment of the following terms and conditions:

- (i) The transportation of the rental transformer from and to the store of the WSEDCL will be the responsibility of the consumer. The transportation includes the loading, unloading of rental transformer both at site and at store.
- (ii) Any damage to the rented transformer during consumer's custody is the responsibility of the consumer and the consumer is liable to compensate the proportionate damage as will be determined by WSEDCL.
- (iii) The consumer will deposit an amount equivalent to the 75% of the cost of transformer as security that may be in the form of bank guarantee or cash. On return of the rented transformer to the store, the security amount will be refunded with in fifteen days (15) based on the clearance certificate from store.
- (iv) The consumer will take responsibility for obtaining the clearance from the competent authority for energisation of the rented transformer at his premises. WSEDCL will not be responsible for any fatal what so ever arising out from the rented transformer when it is at consumer's custody.
