

West Bengal State Electricity Distribution Company Ltd.

(A West Bengal Government Enterprise)

Office of the Chief Engineer Power Trading & Procurement Cell

Addendum – 5

RFQ No: WBSEDCL/PT&P/RE-RTC/2026/01
dtd:23.09.2026

Date: 14.10.2026

Subject: Addendum No. 5 of RE RTC

- Deviation in the following clauses of the bid documents (RFQ, RFP & draft PPA) dtd 23.09.2026 is accepted by the Hon'ble WBERC to the following extent: -

Sl.No.	Clause No	Clause as Per PSA approved by Hon'ble Commission 22.09.2026 in CASE NO. OA – 579 / 26 – 27	Subsequently modified Clause as approved by Hon'ble Commission vide order dated 13.10.2026 in CASE NO. OA – 585 / 26 – 27
1	clause 11.2.1 & 11.2.2 of Draft PPA	<p>11.2.1 The Parties acknowledge and agree that the tariff shall be as per the applicable extant Guidelines and Supplier's offer (the "Applicable Tariff") for the relevant year.</p> <p>11.2.2 The Tariff, shall be the Applicable Tariff as per Clause 11.2.1, payable for electricity supplied in each month of the relevant Accounting Year.</p> <p>Further, for the avoidance of doubt, upon achieving SSD of Phase-1 as per clause 4.6.1, the Supplier shall be entitled to Tariff payments as per the Applicable Tariff, and for each subsequent Accounting Years Supplier shall be entitled to Tariff payments as per the Applicable Tariff. In case of extension in SSD as per this Agreement, the Applicable Tariff as on the extended SSD, shall be applicable subsequent to the SSD.</p>	<p>11.2.1 The Parties acknowledge and agree that the tariff shall be ₹___/kWh (Rupees ___ and Paise ___ only per kilowatt-hour), as per the Supplier's offer submitted in the bid (the "Base Tariff"). Base Tariff shall be applicable for the first Accounting Year commencing from Phase 1 SSD and ending on March 31 of that Accounting Year, which shall be revised annually in accordance with the provisions of Clause 11.2.2 to determine the applicable Tariff ("Applicable Tariff") for the relevant Accounting Year.</p> <p>11.2.2 Commencing from second Accounting Year after the Phase 1 SSD, 30% (thirty per cent) of Base Tariff or Applicable Tariff (as the case maybe) shall be subject to escalation at the rate of change in wholesale price index (WPI) occurring between January 1 and December 31 falling immediately prior to any Accounting Year. The tariff resulting after such escalation for each Accounting Year (other than the first Accounting Year) shall be referred as the "Applicable Tariff" for the relevant Accounting Year. For avoidance of doubt, for each successive Accounting Year (other than the second Accounting Year), the Applicable Tariff for the previous Accounting Year shall be subject to the escalation as aforesaid. By way of illustration, if (a) the SSD occurs in</p>

Sl.No.	Clause No	Clause as Per PSA approved by Hon'ble Commission 22.09.2026 in CASE NO. OA – 579 / 26 – 27	Subsequently modified Clause as approved by Hon'ble Commission vide order dated 13.10.2026 in CASE NO. OA – 585 / 26 – 27
			<p>April 2027; (b) WPI increases by 3% (three per cent) between January 1, 2027 and December 31, 2027, the Applicable Tariff for the Accounting Year commencing from April 1, 2028 shall be 100.9% (one hundred and point nine per cent) of the Base Tariff. The Tariff, shall be the Applicable Tariff as per Clause 11.2.1, payable for electricity supplied in each month of the relevant Accounting Year.</p> <p>Further, for the avoidance of doubt, upon achieving SSD of Phase-1 as per clause 4.6.1, the Supplier shall be entitled to Tariff payments as per the Applicable Tariff, and for each subsequent Accounting Years Supplier shall be entitled to Tariff payments as per the Applicable Tariff. Upon achieving SSD of Phase-2 as per clause 4.6.1, the same tariff as applicable in that relevant year to Phase-1 shall also apply to Phase-2 and every year thereafter. In case of extension in SSD of Phase 1 as per this Agreement, the Applicable Tariff as on the extended SSD, shall be applicable subsequent to the SSD.</p>
2	Clause no. 1.2.15 of RFQ	... The said Tariff shall be quoted at the Delivery Point as per the applicable extant Guidelines. ...	... The said Tariff shall be quoted at the Delivery Point as per PPA. ...
3	Clause no. 5.6.1 of RFP	5.6.1 The Bidder shall be permitted for commencement of power supply from full as well as part Supply Capacity even prior to the respective SSD. Procurer to purchase power from such early part/full Supply Capacity prior to SSD and such power will be purchased by Procurer at the 50% of the PPA tariff.	5.6.1 The Bidder shall be permitted for commencement of power supply from full as well as part Supply Capacity even prior to the respective SSD. Procurer to purchase power from such early part/full Supply Capacity prior to SSD, and such power will be purchased by Procurer at the PPA tariff.
4	Clause no. 1.1.4 of RFP	1.1.4 Bids are invited for the Project under Section B of this Bidding Document, on the basis of weighted average levelized Tariff as per the applicable extant Guidelines to be offered by a Bidder for supply of electricity in accordance with the terms of the draft PPA forming part of the Bidding Documents. For the purposes of bidding hereunder, the Bidder shall quote weighted average levelized Tariff as per the applicable extant Guidelines (exclusive of all applicable transmission charges and losses) at Delivery Point for the	1.1.4 Bids are invited for the Project under Section B of this Bidding Document, on the basis of a composite single part Tariff to be offered by a Bidder for supply of electricity in accordance with the terms of the draft PPA forming part of the Bidding Documents. For the purposes of bidding hereunder, the Bidder shall quote 1st year composite single part Tariff (exclusive of all applicable transmission charges and losses) at Delivery Point for the quantum offered (the "Tariff"). The contract period shall be pre-determined and will be indicated in the draft PPA. All transmission charges and losses (including GNA/ISTS charges and

Sl.No.	Clause No	Clause as Per PSA approved by Hon'ble Commission 22.09.2026 in CASE NO. OA – 579 / 26 – 27	Subsequently modified Clause as approved by Hon'ble Commission vide order dated 13.10.2026 in CASE NO. OA – 585 / 26 – 27
		<p>quantum offered (the "Tariff"). The contract period shall be pre-determined and will be indicated in the draft PPA. All transmission charges and losses (including GNA/ISTS charges and ISTS losses) beyond the Delivery Point shall be borne by Procurer.</p> <p>For any non-RE component of power supply, 70% of Applicable Tariff shall be deemed to be the Fixed Charge component and balance 30% shall be deemed to be Variable Charge component of the Applicable Tariff for such supply. Accordingly, for power scheduled from non-RE sources by the Supplier, if the schedule is confirmed by the Procurer, Applicable Tariff shall be payable for such scheduled power. If the said schedule from non-RE sources is not confirmed by the Procurer as a result of application of MOD principle, then 70% of the Applicable Tariff (i.e., fixed charge component hereinafter referred to as the "Fixed Charge"), shall be payable for such power which is not scheduled by the Procurer. It is clarified that for any non-RE power finally supplied to the Procurer, the Supplier shall be required to provide Renewable Energy Certificates ("REC") equivalent to such non-RE power supplied, to the Procurer.</p> <p>In this RFP, the term "Lowest Bidder" shall mean the Bidder who is offering the lowest Tariff.</p>	<p>ISTS losses) beyond the Delivery Point shall be borne by Procurer.</p> <p>The 1st year composite single part Tariff shall be quoted at the Delivery Point ("Base Tariff") and shall be revised annually, in accordance with the applicable provisions of the Article 11 of PPA to determine the Applicable Tariff, for the relevant Contract Year of the PPA.</p> <p>For any non-RE component of power supply, 70% of Applicable Tariff shall be deemed to be the Fixed Charge component and balance 30% shall be deemed to be Variable Charge component of the Applicable Tariff for such supply. Accordingly, for power scheduled from non-RE sources by the Supplier, if the schedule is confirmed by the Procurer, Applicable Tariff shall be payable for such scheduled power. If the said schedule from non-RE sources is not confirmed by the Procurer as a result of application of MOD principle, then 70% of the Applicable Tariff (i.e., fixed charge component hereinafter referred to as the "Fixed Charge"), shall be payable for such power which is not scheduled by the Procurer. It is clarified that for any non-RE power finally supplied to the Procurer, the Supplier shall be required to provide Renewable Energy Certificates ("REC") equivalent to such non RE- power supplied, to the Procurer</p> <p>In this RFP, the term "Lowest Bidder" shall mean the Bidder who is offering the lowest Tariff.</p>
