NIT No. WBSEDCL / CE / EMD / 2026-27 / Tender / 12

Date: 08.07.2026

**Detailed topographical field survey at Chord Road Central Store (both Premises-I and Premises-II),
Shyamnagar**

Terms and Conditions

1. Scope of Work

The entire area of Chord Road Central Store at Shyamnagar (both Premises-I and Premises-II) will have to be surveyed in detail to identify and locate all the permanent structures built there-in for preparation of a detail general layout plan of the premises. The contractor will carry out the general engineering field survey with 'Total Station' and prepare the required survey drawings in detail showing the followings :-

- Survey for the existing ground levels of the premises will be done, showing natural depressions/ humps/ borrow pits etc, if any, within the property and an approx. radius of 20m surrounding the area beyond the boundary of the premises. Plot no., latitude/longitude etc. and existing land area of the premises will have to be mentioned in the survey drawing. The property line will have to be indicated.
- Grid will be drawn at 10m interval indicating the level of the ground and general description will be shown.
- All existing permanent structures /physical features/objects inside the premises, i.e., buildings, sheds, godowns, open plinths, boundary wall, water tanks, pipelines, surface drains, service roads, electrical installations, trees etc. are to be shown with outer dimensions with reference of the adjoining plots.
- Value of the angle made by one arm of the square grid with the North direction to be shown.
- The area to be surveyed will be traversed by closed triangulations.
- Contour drawings at an interval of 20m will have to be prepared and submitted.
- All field data/soft copy should be submitted to WBSEDCL on completion of field survey work and after preparation of drawings. The drawing to be submitted in .dwg format compatible to AutoCAD.
- All survey drawings shall be made in metric units.
- General layout plan shall be made showing the entire premises and its surrounding area in specified scale, indicating exact alignment of the premises, property line and the permanent structures. Height and plinth area of each building/structure within the premises will have to be shown.
- The field survey work should conform to the following accuracy level:
 - Linear measurement - 25mm in 1000mm.
 - Leveling - $(\pm) \sqrt{5}$ km mm (where km is distance in kilometer)
- The contractor will have to provide all the necessary surveying instruments (Total Station) and qualified personnel for the total field survey work.
- The scope will include all men & materials, instruments, tools & tackles, transportation, camping and other supporting facilities as required for timely completion of the specified survey work within the schedule time frame.

2. Price

The bidder's quoted price will be firm for the entire contract period, without any price variation, and will be deemed to include all materials, labours, machineries, tools & tackles, carriage etc. and also include all taxes, duties, levies, cess, incidental charges etc. (except GST) as may be applicable for the complete scope of work.

3. Payment Terms

Payment will be made after completion of work, based on GST invoice in triplicate to be submitted by the contractor and certification thereof by the Controlling Officer. Payment will be made electronically through RTGS/NEFT as per Bank details to be provided by the contractor. All statutory deductions as per Govt. rules will be made from the bill, including 1% cess against BOCWWC Act, 1996.

Phone: (033)2359-1920

E-mail: ce.emd@wbsedcl.in

4. Security and Defect Liability

Security will be deducted @10% (ten percent) of contractor's bill value, refundable after successful completion of defect liability period, subject to the satisfaction of the Controlling Officer. Defect Liability Period for the instant work shall be 3 (three) months from the date of actual completion of the total work. During this period, the contractor shall be responsible for making good any defects or errors to any part of the work done by him and also for offering any clarification toward the work done by him, at his own cost.

5. Completion Time

The entire work including submission of report/drawings as per contract will have to be completed within 1 (one) month from the date of site handover to the contractor. WBSEDCL reserves the right to handover the site in phases and the contractor shall have to execute the work accordingly, at no extra claim or extra time.

6. Reports and Drawings

All the reports & drawings are to be submitted in 3 (three) hard copies alongwith soft copy of drawings in .dwg format compatible to AutoCAD.

7. Liquidated Damage

If the Contractor fails to complete the work within the time specified in the contract or any extension thereof, WBSEDCL shall recover liquidated damage from the contractor @0.143% (zero point one four three percent) of the contract value of the works for each calendar day of delay, subject to a maximum of 10% (ten percent) of the contract value of the works. However, deduction of such liquidated damage shall not relieve the contractor from any of their liabilities under the contract.

8. Termination of Contract

If the contractor fails to proceed with the work proportionate to the approved time of completion or fails to complete the work within the approved time for completion, WBSEDCL shall have right to terminate the contract after giving 14 (fourteen) days notice in writing and to realize any extra cost that WBSEDCL may have to incur to get the unfinished work done through other agency, from the contractor's pending bills.

9. Materials, Tools & Tackles

WBSEDCL shall not supply any material, tools & tackles etc., which are to be supplied by the contractor for the entire job.

10. Idle Labour and Machinery

WBSEDCL will not entertain any claim for idle labour and machinery, additional establishment cost, hire and labor charges of tools & plants etc. under any circumstances.

11. Extension of Completion Time

WBSEDCL may allow extension of completion time upon consideration of the contractor's written prayer, in case of the delay due to the following reasons:

- Extra or additional work done as per advice of the Controlling Officer.
- Suspension of work ordered in writing by the Employer.
- Force Majeure.
- Any other reason not attributable to the Contractor.

12. Electricity, Water & Labour Accommodation

WBSEDCL will not provide any space for accommodation of the contractor's workmen and storage of materials, machineries etc. Water & electricity will also be arranged by the contractor at his cost & responsibility.
