If any defect in the executed work is detected during this guarantee period, the contractor will have to rectify or replace the same at his own cost and responsibility within 15 (fifteen) days from the date of intimation from the Company in this regard. If the contractor fails to carry out such rectification, the Company shall have the right to engage any other contractor for such rectification and any extra cost incurred by the Company for such rectification will be realized from the pending bill(s) and / or security deposit of the original contractor for this contract or any other contract under the Company.

13. Safe custody of Company's materials and erected work:

The contractor would be entirely responsible for all the materials/equipment issued to them for the work and for the executed portion till the installation is officially taken over by the Company. The Contractor would have to arrange Storage-cum-Erection insurance policy exclusively in the name of WBSEDCL from any subsidiaries of the General Insurance Corporation of India with the concurrence of the controlling officer concerned extended for a period from the date of issuance of the first lot of materials to the date of official takeover by the company. It would be the responsibility of the contractor to keep the policy alive throughout the desired period by timely and adequate

payment of premiums. Value of the policy shall cover the material and labour cost for the contract. If the amount of contract is modified subsequently, the insurance coverage should also be modified accordingly. For any loss, damage or theft of issued materials and/or erected work before taking over, the cost will initially be deducted from any pending payable amount. Necessary compensation, when realized through the insurance will be credited to the contractor's account for settlement of the claim in due course. The original stamped Insurance policy has to be handed over to the controlling officer before first lot of materials is issued in contractor's favor.

14. Tools & tackles:

The contractor must be properly equipped with all requisite tools & tackles in sufficient quantity to ensure timely execution of work.

15. Handing over and Taking over:

After completion of the erection work, the contractor will intimate the controlling officer in writing with six copies of blue prints drawing layout and other details of the erected infrastructure. The controlling officer, on receipt of the intimation, will arrange inspection with concerned O&M Distribution Engineer, preferably within 15 days but not later than 30 days. If any defects are found, those will be intimated to the contractor in writing by the controlling officer. The contractor will have to rectify such defects within 15 days at their own cost and responsibility. On receipt of the intimation in writing the controlling officer may again inspect the works. After satisfactory completion of works, the company will arrange to take over the installation within 30 days. The installation in any case will be deemed to have been automatically taken over by the company on 45 days from the date of receipt of the last intimation regarding completion of the rectification of works as the case may be, if nothing to the contrary has been intimated to the contractor in writing by the controlling officer.

16. Manner of Execution of Contract:

The successful bidder has to submit acceptance of the LOI / Order within 7 (seven) days from the date of issue of the Letter of Intent / Order. - 17.6. Contractor's Staff at site:** The contractor shall provide at site authorized representative duly approved by the Controlling Officer (approval may be withdrawn for particular person, if necessary). The contractor and/or his authorized representative are to be constantly on the work and shall give whole time supervision of the same. Such authorized agent or representative shall receive (on behalf of the contractor) directions and instructions from the Controlling Officer / Engineer or his representative.
- 17.7. Removal of persons employed at site:** The Controlling Officer / Engineer shall be at liberty to ask the contractor to remove from the site any person, employed by the contractor in the execution of the works, who in the opinion of the Controlling Officer / Engineer misconducts himself or is incompetent or negligent in the proper performance of his duties and such persons shall not be again employed upon the works without the permission of the Controlling officer / Engineer.
- 17.8. Setting out:** The Contractor shall be responsible for true and proper setting out of the works and for the correctness of the position, levels, dimensions and alignments of all parts of works. If at any time during the progress of the works any error shall appear or arise in the positions, levels, dimensions or alignments of any part of the work, the contractor on being asked to rectify by the Controlling Officer / Engineer, shall at his own expense rectify such error to the satisfaction of the Controlling Officer / Engineer.
- 17.9. Protection of works:** The Contractor shall in connection with the works provide and maintain at his own cost all lights guards, fencing and watching when and where necessary or required by the WBSEDCL or by any competent authority or statutory or other authority for the protection of the works or for the safety and convenience of the public or others.
- 17.10. Care of works:** From the commencement to the completion of the works, the contractor shall take full responsibility for the care thereof and of all temporary works and in case of any damage, loss, or injury to works or to any part thereof or to any temporary works due to any cause whatsoever shall at his own cost repair and make good the same, so that at completion the works shall be in good order and conditions and in conformity in every respect with the requirements of the contract. The contractor shall take every practicable precaution not to damage or to cause injury to adjoining or other properties or to any persons. However even if any damage or injury occurs, the contractor shall be responsible in meeting the necessary claims and demands as may be required.
- 17.11. Workmen's compensation for accident or injury to any workmen:** The WBSEDCL shall not be liable for damage or compensation payable as per provision of law in respect of consequence of any accident or injury to any workmen or other person in the employment of the contractor. Contractor shall have to pay all claims, demands, proceedings costs, charges and expenses whatsoever in respect thereof or in relation thereto. Insurance policy covering provision for workmen's compensation for all the workmen to be engaged by the contractor is to be made by him.
- 17.12. Facilities for other contractors:** The contractor shall afford all reasonable facilities for any other contractor employed by WBSEDCL in the execution on or near the site of any work not included in the contract.
- 17.13. Clearing site on completion:** On completion of the works the contractor shall clear away and remove from the site all constructional plant, surplus materials rubbish, and temporary works of every kind and leave the whole of the site and works clean and in a good and tidy condition to the satisfaction of Engineer-in-charge.
