All the documents in support of bid are also to be scanned and uploaded along with the tender document. Bids submitted/sent by any other mode will not be accepted.

7. Scope of Work:

The complete scope of the work is covered as under,

- Design, engineering and manufacturing of indoor type, 11 KV (nominal working voltage)/12 KV (rated voltage), 12 panel, VCB switchboard having 10 nos 11 KV Vacuum Circuit Breakers (4 X 12.75 MW Generator, 2 X 11/132 KV Bank Transformer, 2 X 11/0.415 KV Auxiliary Transformer, 1 X Bus Coupler & 1 X SPARE), 02 nos 11 KV/110 V Bus Section VT(s) and other components adhering to the latest available technological amendments
- Supply of 02 nos 11 KV, 1250 A, VCB(s), in addition to the above mentioned 10 nos VCB(s) to be fitted inside the said switchboard to be kept as spare in case of any malfunctioning of any existing VCB
- Inspection & testing of said switchboard along with its components at the manufacturer's premises.
- Supply including transportation of said new switchboard to the site for installation.
- Dismantling of existing Siemens 8BK20 panel in a phase wise manner and shifting of the same to store.
- Installation, final testing and commissioning of new switchboard in a phase wise manner on existing foundation/location with all its components and all power & control cable connections & wirings, both locally & remotely (to the C&R panel).
- Supply of all mandatory spares after final commissioning of the said switchgear.

All works as mentioned above shall be in accordance to the specifications and procedures mentioned in Chapter 4 (Technical Specification and Other Related Matters) of the Tender Document.

The complete scope is further tabulated below with specific quantities for detailed and easy understanding of the scope and quoting purpose. Sl. No. 01 of the said scope will constitute the supply part where as Sl. No. 02 to Sl. No. 06 will constitute the installation or erection part.

Sl. No.	Description	Quantity	UoM
1	Supply of a 11 KV (working)/12 KV (rated), 40 KArms-1sec, 2500 A, 12 Panel VCB switchboard with 10 nos VCB compartments with VCB(s) (09 nos regular & 01 no Bus Coupler) and 02 nos VT compartment with BPT along with 02 nos additional VCB(s) as detailed in the Scope of Work and as per Technical Specifications mentioned in Chapter - 4: Technical Specification and Other Related Matters	1	Nos
2	Dismantling of the existing Siemens 8BK20, VCB switchboard in phase wise manner and shifting of the same to RHP, Stage-II, store	1	Nos
3	Installation of the VCB switchboard, Sl. No. 1, in phase wise manner and executing all its internal wirings for local operation	1	Nos
4	Supply along with laying of 28 core, 2.5 sq.mm., copper control cable between the VCB switchboard, Sl. No. 1, LT panel & the existing CRP in existing cable tray for operation of the said switchboard in remote mode	302	Meter
5	Supply along with laying of 4 core, 2.5 sq.mm., copper control cable between the VCB switchboard, Sl. No. 1, LT panel & the existing CRP in existing cable tray for connection of both its B/S VT to the CRP	66	Meter
6	Dismantling and removal of existing control cable between the existing switchboard and the C&R panel from the cable tray and its subsequent shifting to the RHP, Stage-II, store	368	Meter

8. **Validity:** The tender shall be valid for one hundred and eighty (180) days from the date of opening of the technical bid. If the bidder modifies/withdraws the bid during the validity period of bid, the bid will be cancelled with forfeiture of Earnest Money Deposit (EMD).
9. Conditional / Incomplete tender will not be accepted under any circumstances.
10. During scrutiny, if it comes to the notice of the tender inviting authority that the credential or any other paper found incorrect / manufactured / fabricated, that bidder would not be allowed to participate in the tender and that application will be rejected without any prejudice and the earnest money deposited will be forfeited.
11. The eligibility of a Bidder will be ascertained based on the documents submitted by the Bidder in support of eligibility criteria. If any document submitted by a Bidder is found incorrect / manufactured / fabricated or false at any stage, his Tender will be rejected with forfeiture of earnest money and legal action may be taken against him.
12. The WBSEDCL does not bind itself to accept the lowest bidder and reserves the right to reject any or all tender(s). WBSEDCL reserves the right to take decisions keeping its financial interest.
13. WBSEDCL reserves the right to:
 - Amend the scope of work to be tendered.
 - Reject any or all the offers without assigning any reason whatsoever at any time prior to the Award of Contract, without thereby incurring any liability to the affected bidder(s); and

- Cancel the bidding process and reject all bids, without assigning any reasons thereof.
- WBSEDCL will not be liable for any such actions. However, the bidder(s), who wish to seek reasons for such decision of cancellation / rejection, shall be informed by WBSEDCL unless its disclosure reasonably could be expected to affect the sovereignty and integrity of India; the security, strategic, scientific or economic interest of the State; relation with foreign state or lead to incitement of an offence. In such case, the Earnest money submitted by the bidder(s) will be refunded to the bidder without any interest.
14. WBSEDCL reserves the right to assess the bidders' capacity and capability to perform the contract and may relax the qualifying requirements at any stage, if required.
 15. No price preference will be allowed to any agency/contractor based on the size of the company or its geographic location. Co-operative Society / MSME will not be considered with separate status.
 16. For detailed information and terms and conditions of this tender, Bidders are requested to go through Instruction to Bidders (ITB), General Condition of Contract (GCC), Technical Specification and Other Related Matters and Forms and Proforma provided with this tender.
 17. The interested/intending bidders may also attend the Pre-Bid Meeting to be held in presence of the Tender Committee at Rammam Hydel Project, St-II, P.O: Lodhomahat, Dist.: Darjeeling-734201, on specified date and time for more clarifications regarding the tendering process, other related general and technical matters.
 18. In case of any query regarding the tender document, the bidder(s) may contact on or before the last date of submission of query (as mentioned above):
