- iii. Summary list of technically qualified/eligible tenderers will be uploaded online and can be checked by logging in to <https://wbttenders.gov.in>.
- iv. While evaluation the authorized representatives of WBSEDCL may summon any of the tenderer & seek clarification/information or tenderers may be asked for producing original hard copy of any of the documents already submitted & if these are not produced within the stipulated time frame, their proposals will be liable for rejection.
- v. The Financial Bid of the prospective bidder will be considered only if the Technical Bid of the Bidder is found qualified by the WBSEDCL. The decision of the WBSEDCL will be final and absolute in this respect.
- vi. The WBSEDCL does not bind itself to accept the lowest bidder and reserves the right to reject any or all tender(s) or to split the whole work to more than one contractor without assigning any reason whatsoever.

A.2.2. Penalty for suppression/ distortion of facts

If any tenderer fails to produce the original hard copies of the document like Completion Certificate and any other documents on demand of the department within a specified time frame or if any deviation is detected in the original copies from the uploaded soft copies, it may be treated as submission of false documents by the tenderer and action may be referred to the appropriate authority for prosecution as per relevant IT Act.

A.2.3. Rejection of Bid

The employer (Tender Accepting Authority) reserves the right to accept or reject any bid and to cancel the bidding processes and reject all bids at any time prior to the Award of Contract without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected Bidder or Bidders of the ground for Employer's (Tender Accepting Authority) action.

A.2.4. Award of Contract

The bidder who's Bid has been accepted will be notified by the Tender Inviting & Accepting Authority through Acceptance Letter / Letter of Acceptance. The notification of award will constitute the formation of the contract.

The successful bidder will have to submit an Indemnity Bond and an Agreement and in prescribed format given in Annexure-IV and Annexure-V before commencement of the work which will incorporate all agreements between the Tender Accepting Authority and the successful bidder. After acceptance of Letter of Acceptance, the successful bidder shall have to submit requisite copies of contract documents stated in NIT of the concerned work within time limit to be set in the letter of acceptance.

Also, successful bidder(s) will have to create vendor id through WBSEDCL web portal Vendor's Corner, if not created earlier.

A.2.5. Responsibility of Bidders

- i. WBSEDCL will not assume any responsibility regarding information gathered, interpretations or conclusions made by the bidder or regarding information, interruption or deductions the bidder may derive from the data furnished by the WBSEDCL. Verbal agreement or conversation with any officer, employee of WBSEDCL either before or after the execution of the contracts, shall not affect or modify any of the terms or obligations contained in the contract.

- ii. It shall be the responsibility of the bidders to determine and to satisfy themselves by such means as they consider necessary or desirable as to all matters pertaining to this contract including in particular all factors that may affect the cost, duration and execution of the works. It must be understood and agreed that such factors have properly been investigated and considered while submitting the bid.
- iii. Claim, whatsoever, including those for financial adjustment to the contract awarded under these specifications and documents will not be entertained by the purchaser. Neither any change in time schedule of contract nor any financial adjustments arising thereof shall be permitted by the purchaser, which are based on the back of such clear information of its effect on the cost of the contract to the bidder.
- iv. The bidder is expected to examine carefully all instructions, conditions, forms, schedules, terms, annexure, specifications and drawings (if provided) in the bidding document. Failure to comply with the requirements of bid submission will be at the bidders own risk. Bids, which are determined to be not substantially responsive to the requirement of the bidding document, will be rejected.

A.2.6. Cost of Bidding

The bidder shall bear all cost associated with the preparation and submission of their bid and WBSEDCL in no case shall be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

A.2.7. Clarification of Bidding document

In case of any discrepancy or obscurity in the meaning of any clauses of the bid document or if there be any query of the intending bidder, the bidder shall set forth in writing such discrepancies, doubt, obscurity or queries and submit the same to WBSEDCL, marked to the Regional Manager, Hooghly Region at least 05(five) days before the bid submission closing date.

A.2.8. Bid prices

The bidder has to quote as per the instructions mentioned in A.1.3.2. Further it should be noted that **the quoted rate should be firm**. There will be no price variation during the pendency of the contract period or thereafter. Bidders are in no way allowed to get any escalation of price against this contract.

The bidder shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for work and the rates and prices stated in the schedule of works. The rates and price quoted shall cover all obligation of the bidder under the contract and all materials, labour etc. necessary for proper completion and maintenance of the work.

Prices indicated in the schedule of prices deemed to include all the levies/duties/taxes/cess and all other incidentals payable as per statute. IT will be deducted as per rules. The tax imposed under GST will be as per applicable laws and **GST will be paid extra**. TDS under GST will be applicable as per laws.

A.2.9. Earnest Money

A bidder desirous of taking part in a tender invited by offices of WBSEDCL shall login to the e - Procurement portal of Government of West Bengal <https://wbtennders.gov.in> using his login-id and password. The bidder shall select the tender to bid and initiate payment of Earnest Money Deposit.

Following payment options are available for paying EMD amount through on line mode,

- i. Net-banking through Payment gateway.
- ii. RTGS/NEFT Payment: on selection of RTGS/NEFT as the payment mode, the Procurement portal will show a pre-filled challan having the details to process RTGS/NEFT transaction. The bidder will print the challan and use the prefilled information to make RTGS/NEFT payment using his bank account. Once the payment is made, the bidder will come back to the e-procurement portal to continue the bidding process after expiry of a reasonable time to enable the RTGS/NEFT process to be completed.

A.2.9.1 General Instruction for Online payment

- i. The bidder will have to mandatory pay through Net-banking facility once Net banking mode is opted for payment.
- ii. Status of NEFT/RTGS payment through challan for a bid may take time for bank settlement which is updated in 24 hrs. (approx.) as such bidders opting to pay through NEFT/RTGS mode shall make payment well before 24Hrs. to avoid any complicity.
- iii. In case actual EMD amount as per NIT is more than the one shown in e-tender portal, bidders will have to opt for NEFT/RTGS mode (challan mode). In that case the total actual EMD amount is to be paid only through NEFT/RTGS mode (challan mode).

A.2.9.2 Refund of Earnest Money

For unsuccessful bidders, EMD amount submitted against the tender shall be refunded automatically, through an automated process, by NIC portal on receipt of updated status of any bid. For successful bid(s), EMD will be refunded from WBSEDCL authority after completion of tendering process and following due procedures.

The bank account used for payment of EMD by the bidders shall be maintained operative until the completion of tendering process. All refunds will be made mandatorily to the Bank A/c from which the payment of EMD has been initiated.

A.2.9.3 Forfeiture of Earnest Money

Earnest money shall be forfeited in case of following,

- i. If during the period of validity, the bidder withdraws / modifies its bid as a whole or in part.
- ii. If the bidder deviates from any clarification/confirmation given by him subsequent to submission of his bid.
- iii. If the bidder submits false credential & other incorrect/manufactured/fabricated documents. Documents uploaded online may be verified at any stage during the tendering process and even before issuance of Letter of Acceptance/Work order to successful bidder if found necessary.
- iv. If any uploaded/submitted documents by successful bidder are found to be ambiguous or fabricated, Letter of Acceptance/Work order then will not be issued in favor of the bidder under any circumstances and action will be taken accordingly along with forfeiture of earnest money.
- v. In case of successful bidder, if the bidder fails to accept LOI/Order unconditionally and sign contract or to furnish the contract performance bond wherever applicable.

A.2.10. Additional Performance Security

All bids in the range of -20% to -80% of the estimated cost shall furnish an Additional Performance Security in the form of Bank Guarantee (Annexure-VI) from any scheduled Bank, which shall be equal to 10% of the Tendered amount.

A.2.11. Period of validity of Bids

The validity of the tender shall be 120 (One Hundred Twenty) days from the date of opening of price bid or revised price bid, if any. But prior to the expiry of the original validity period WBSEDCL may request extension in the period of validity for a maximum period 90 (Ninety) days. The bidder may refuse the request without forfeiting his bid security. Whereas bidders agreeing to the request will not be required or permitted to modify their respective bids, but will be required to extend the validity or their bid securities correspondingly.

A.2.12. Evaluation and comparison of bids

On examination of document submitted under different covers WBSEDCL will evaluate and compare the bid, determined to be substantially responsive at each step. Evaluation of bid will include and will take into account,

- i. The bids shall be evaluated on the basis of total price for the entire scope of work covered under this bid document.

- ii. Evaluated bid price of all bidders shall be compared among themselves to determine the lowest evaluated bid and as a result of this comparison, the lowest bid will be selected for award of contract.
- iii. Conditional rebate, if any, offered by any bidder shall not be considered in Bid evaluation.

A.2.13. Taxes, duties and other levies

The contractor shall be solely responsible for the taxes that may be levied on the contractor's persons or on earnings of any office employee and shall hold the purchaser indemnified and harmless against any claims that may be made against the purchaser. The purchaser / service receiver does not take any responsibility what-so-ever regarding taxes under Indian Income Tax Act, for the contractor or his personnel. If it is obligatory under the provisions of Indian Income Tax Act, deduction of Income Tax at source shall be made by the purchaser/service receiver.

All other taxes/duties/levies/cess payable by the bidder shall be included in the bid price and no claim on this behalf will be entertained by the owner. The tax imposed under GST will be as per applicable laws and **GST will be paid extra**. TDS under GST to be deducted as per laws.

A.2.14. Laws governing contract

The contract shall be construed according to Acts / Laws in force in the country and shall be under the jurisdiction of Calcutta High Court.

A.2.15. Corrupt or fraudulent practices

WBSEDCL expects that bidders/contractors observe the highest standard of ethics during the procurement and execution of such contracts. If it is found any time that the bidder/contractor recommended for award has engaged in corrupt or fraudulent practices in competing for, or in executing the contract, proposal for award of contract will be rejected and subsequently the contractor will declared to be ineligible either indefinitely or for a stated period of time. In pursuance of this policy, the owner defines the terms for the purpose of this provision,

- i. *Corrupt practice*: The offering giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution, and
- ii. *Fraudulent Practice*: Misrepresentation of facts in order to influence a procurement process of the execution of a contract to the detriment of the owner, and includes collusive practice among bidders (Prior to or after bid submission) designed to establish bid prices at artificial no- competitive levels and to deprive the owner of the benefits of free and open competition.

A.2.16. Insurance

The successful bidder on awarding of contract shall arrange, secure and maintain all insurance as may be pertinent to the work and obligatory in terms of law to protect the interests of WBSEDCL against all perils. The form & the limit of such insurance together with underwriting in each case shall be acceptable to WBSEDCL. However, irrespective of such acceptance the responsibility to maintain adequate insurance coverage at all times during the period of contract shall be bidder's alone.

A.2.17. Penalty for suppression/ distortion of facts

Bidder fails to produce the original hard copies of the documents (especially completion certificates and audited balance sheets), or any other documents on demand of the Tender Committee within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the tender committee will take action as deem fit against such defaulting Bidder. The Employer reserves the right to accept or reject any Bid and to cancel the Bidding processes and reject all Bids at any time prior to the award of Contract without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the ground for Employer's action.

A.2.18. Amendment of bidding documents

At any time prior to the deadline for submission of bids, WBSEDCL may, for any reason whether at his own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by issuing amendments. Any such amendment shall be part of the bidding document.

Such amendment(s) will be published on the same website mentioned above. Owner will bear no responsibility or liability arising out of non-pursuance of the same in time or otherwise by the bidder. In order to afford prospective bidders reasonable time in which to take the amendment in to account in preparing their bids, the owner may, at its discretion, extend the deadline for submission of bids. Such amendments, clarification, etc. shall be binding on bidders and will be given due consideration by the bidders while they submit their bids and invariably enclose such documents as a part of the bids.

SECTION – B:GENERAL CONDITIONS OF CONTRACT AND SPECIFICATION FOR CIVIL WORKS

B.5. SECURITY DEPOSIT

On receiving tenderer's acceptance for the work the earnest money deposited with the tender will be automatically converted to form a part of security money deposited. An additional sum of security money, if required, shall be deposited by the tenderer to constitute initial security money of 2% (two percent) of ordered value. Further additional security money shall be deducted from the progressive bills at 8% (eight percent) of each such bill so that the total deduction together with 2% (two percent) Security money already taken shall constitute not less than 10% (ten percent) of the total value of works as actually done. All security money shall be refunded after expiry of the period of maintenance/the guarantee period/defect liability period which shall be 6 (six) months normally as stated below, if not otherwise mentioned in the work order after completion of the work. This period of maintenance shall be counted from the date of completion of job.

B.5.1 Refund of Security Deposit

Refund of Security deposit shall be subject to Company's right to deduct/appropriate its dues against the contractor under this contract or any other contract. The Security Deposit for bids shall be released only after satisfactory expiry of the guarantee period/defect liability period and certified as such by the controlling officer of the work upon written request by the contractor.

- i. In case of building works or other similar nature of works, the defect liability period will be considered 6 (six) months or expiry of one full monsoon period, i.e. from June to September whichever is later and any defects such as leakage in roof, dampness, defects in drainage etc. should be rectified to the satisfaction of the engineer.
- ii. All types of manufacture's guarantee/warranty wherever applicable are to be issued/revalidated in the name of owner by the contractual agency. In case of building works or other similar nature of works, the defect liability period will be considered 6 (six) months or expiry of one full monsoon period, i.e. from June to September whichever is later.

B.6. DEFECT LIABILITY PERIOD

- i. The term "defect liability period" shall mean the period of six (6) months from the Date of completion of the work. If any defect is found within the defect liability period the contractor shall be liable to rectify/replace the materials at their own cost and responsibility.
- ii. Additionally, in case of any defect of work is detected by the Engineer-in-Charge/Controlling Officer within the period of six (6) months, the defect liability period shall continue beyond six (6) months or till the expiry of one monsoon period i.e. June to September whichever is later.
- iii. Defects / rectification work so notified shall have to be attended and completed satisfactorily within the specified date or as deemed justified by the Controlling Officer. For faithful & due fulfillment of all obligations, this defect liability period shall be covered by Security Deposit.
- iv. After completion of defect liability period, and on completion of satisfactory rectification of defects, if any, reported within the defect liability period, and on receipt of the application from the contractor, the Engineer-in-Charge / Controlling Officer of the work will recommend for release of Security Deposit.

B.7. GENERAL REQUIREMENT

- i. The contractor shall execute, complete and maintain the work as per direction of the Engineer-in-Charge/Controlling Officer of the work or his representative.
- ii. *Contractor to submit programme:* Within 14 (fourteen) days from the date of issue of order unless mentioned otherwise, the contractor shall submit a programme showing the order, procedure and method in which he proposes to carry out the work.
- iii. *Contractor's technical person at site:* The Contractor shall provide at site his authorized representative with adequate technical knowledge duly approved by the Engineer-in-Charge / Controlling Officer (approval may be withdrawn for a person, if necessary). The contractor and / or his authorized representative are to be constantly on the work and shall give whole time supervision of the same. Such authorized agent or representative will receive (on behalf of the contractor) direction and instructions from the Engineer-in-Charge / Controlling Officer or his representative.
- iv. *Removal of persons employed at site:* The Engineer-in-Charge / Controlling Officer shall be at liberty to ask the contractor to remove from the site any person, employed by the contractor in the execution of work, who in the opinion of the Engineer-in-Charge / Controlling Officer misconducts himself or is incompetent or negligent in the proper performance of his duties and such persons shall not be again employed upon the work without the permission of the Engineer-in-Charge/Controlling Officer.
- v. *Setting out:* The contractor shall be responsible for the true and proper setting out of the work and for the correctness of the position, levels, dimensions and alignments of all parts of the work. If any time during the progress of the work any error shall appear or arise in the positions, levels, dimensions or alignments of any part of the work, the contractor on being asked to rectify by the Engineer-in-Charge / Controlling Officer or his representative shall at his own expense rectify such error to the satisfaction of the Engineer-in-Charge / Controlling Officer.
- vi. *Protection of work:* The Contractor shall in connection with the work provide and maintain at his own cost all lights, guards, fencing and watching when and where necessary if required by the company or by any competent authority for the protection of the work or for the safety and convenience of the public or others.
- vii. *Care of works:* From the commencement to the completion of the works, the contractor shall take full responsibility for the care of permanent works, therefore and of all temporary works and in case of any damage, loss, or injury to works or to any part thereof or to any temporary works due to any cause whatsoever shall at his own cost repair and make good the same, so that at completion the works shall be in good order and condition and in conformity in every respect with the requirements of the contract. The contractor shall take every practicable precaution not to damage or to cause injury to any adjoining or other properties or to any persons. However even if any damage or injury occurs, the contractor shall be responsible in meeting the necessary claims and demands as may be required.
- viii. *Workmen's Compensation for accident or injury to any workman:* The Company shall not be liable for damages or compensation payable as per provision of law in respect or consequence of any accident or injury to any workmen or other person in the employment of the contractor. The contractor shall have to pay all claims, demands, preceding costs, charges and expenses whatsoever in respect thereof or in relation thereto. Insurance policy covering provisions for workmen's compensation for all the workmen to be engaged by the contractor is to be made by him.
- ix. *Facilities for other Contractors:* The Contractor shall afford all reasonable facilities for any other contractor employed by the company in execution on or near the site of any work not included in the contract.
- x. *Clearing site on completion:* On completion of the work the Contractor shall clear away and remove from the site all constructional plant, surplus materials, rubbish and temporary work of every kind and leave the whole of the site and work clean and in good and tidy condition to the satisfaction of the Engineer-in-Charge/Controlling Officer.

B.8. LABOUR LICENCE

Contractor will have to obtain Labour Licence in respect of the above work as per Contract Labour (Regulation & Abolition) Act, 1970 as early as possible.

B.9. COMPLIANCE OF LABOUR LAWS

The contractor shall comply all statutory labour laws to protect the laborers engaged by them. In this connection the contractor will be required to execute an Indemnity Bond (as per specimen enclosed as Annexure-IV) after placement of order.

B.10. NIGHT AND HOLIDAY WORK

If any work of permanent nature is to be carried out in three shifts and / or in Sundays & holidays, prior written permission of the Controlling Officer / Engineer-in-Charge shall have to be obtained.

B.11. MATERIALS AND QUALITY OF MATERIALS, WORKMANSHIP

All materials including cement and steel, equipments, required for the job, are to be supplied by the contractor and approval should be taken from Supervising Officer / Engineer-in-charge regarding usage of material of any specific brand not mentioned in the schedule. The WBSEDCL will have right to test any material(s) at any moment, if found necessary. In that case the contractor will be liable to take appropriate actions, which include the cost of testing and other incidentals. Authenticated document for confirmation of quality of material, purchased by the contractor, shall have to be submitted on demand by the Supervising Officer / Engineer-in-charge. All the work shall be executed with the materials as specified and with best workmanship and in the best manner to the satisfaction of the Engineer-in-Charge / Controlling Officer.

For timely completion of the work, the bidder / contractor must have to deploy all necessary equipment, tools & tackles and machineries to execute the work at a time to perform all works simultaneously as per requirement of WBSEDCL.

B.12. DRAWINGS (As per requirement)

The work shall be carried out as per the instruction and to the satisfaction of the Engineer-in-Charge / Controlling Officer in accordance with the signed drawings (if needed), the specifications and schedule of quantities and all instruction which may be given by the Engineer-in-Charge / Controlling Officer or his authorized representative from time to time.

B.13. DEFECTIVE MATERIAL

If in the opinion of the Engineer-in-Charge / Controlling Officer or his authorized representative, any of the materials brought to the site for use are not of the quality or kind specified in the contract and / or are unfit for the work, he shall be at liberty to order the removal of the said materials and the contractor will have to remove the same within 24 (twenty four) hours after notice has been given to him, and if he fails to remove them within the time, the Engineer may cause them to be removed anywhere at the risk of the contractor and any cost incurred in so doing shall be deducted from the dues to the contractor under the contract.

B.14. MEASUREMENTS AND TERMS OF PAYMENT

- i. All items of work along with specification of materials and the mode of measurement in accordance with relevant P.W.D. schedule of rates, unless otherwise stated (applicable at site of work), carried out by the contractor shall be entered in the measurement book / log book etc. as prescribed by the company so that a complete record is obtained of all works performed under the contract and the value of the work carried out can be ascertained and determined there from. Mode of measurement shall be followed as describe in PWD Schedule of rates.
- ii. Measurement will be taken jointly by the supervisory officer or his authorized representative and by the contractor or his authorized representative. In this regard, the contractor shall arrange and provide all necessary facilities along with necessary manpower for measurement of work at his own

cost. Every measurement thus taken shall be signed and dated by both the parties. Generally, the metric system measurement shall be used exclusively in the contract.

- iii. In the event of failure on the part of the contractor to attend or send his authorized representative after receiving the information to countersign or record objection within a week from the date of measurement, the measurement taken by the Engineer-in-Charge/Controlling Officer or his authorized representative shall be taken to be correct measurement of the work done.

B.15. CHANGE OF QUANTITY

The quantity mentioned in the schedule of work is provisional. The company reserves the right to vary the quantities as may be necessary but such variation shall be limited to $\pm 25\%$ (plus or minus twenty five percent) of the contract price. Payment shall be made as per execution.

B.16. VARIATION, OMISSION, ADDITION & ALTERATION

The Contractor shall not modify the work except under direction in writing by the Company. The quantities provided in the Schedule of work are provisional only, which may vary up to any extent or may be deleted altogether. The quoted rate of each item shall remain firm till completion of contract. The Company reserves the right to alter, amend, and omit or otherwise vary the quantities as may be necessary but such variation will be limited to $\pm 25\%$ (plus or minus twenty five percent) of the contract price. Payment shall be made as per actual execution.

B.17. SUPPLEMENTARY WORKS

Whenever supplementary work becomes unavoidable for completion of the work in all respect, the Contractor shall bring the matter to the notice of the Engineer-in-Charge / Controlling Officer and submit their proposal. However, the Engineer-in-Charge / Controlling Officer shall have the right to advise the contractor to proceed with such item (s) of work. Rates for supplementary item shall be arrived at as given here,

- i. When above clause shall not be applicable, the rates shall be taken from P.W.D.(W.B.) schedule of rates for building works effective from 01.11.2017 with all corrigenda and addenda issued up to 07.09.2022 or published up to the time of submission of bids plus / minus the contractual rate of quotation.
- ii. The rates of all supplementary items shall be decided on pro-rata basis from the existing items in the contract.
- iii. In case of inapplicability of both the above mentioned clauses, the rates should be analyzed, to the mutual acceptance from present market rates of different elements involved in the item, against documentary evidence, with 5% overhead, contractor's profit as 10% and 1% cess towards BOCWWC Act,1996. In that case contractual rate of quotation will not be applicable.

Engineer-in-Charge's/Controlling Officer's decision regarding finalization of rate of non-scheduled item(s) shall be final and binding upon the contractors.

B.18. COMPLETION OF CONTRACT

All works under the contract must be completed by period of completion mentioned in N.I.T. while portions of work as per programme settled in consultation with the Engineer-in-Charge / Controlling Officer or his authorized representative shall be completed by the date stipulated in the programme. It is to be noted that time is the essence of the contract and any default on the part of the contractor to complete the work within the stipulated date / dates aforesaid or within the time as may be extended in writing by the Engineer-in-Charge / Controlling Officer subject to the payment of liquidated damages, the company shall have the right, without prejudice to any other clauses, to terminate the contract forthwith and to take possession of balance work / materials and have the same allotted to any other agency and the contractor shall be liable to compensate the loss that may be occasioned to the Company on that account. Any letter in writing by The Engineer-in-Charge / Controlling Officer shall be treated as conclusive on behalf of the Company.

Completion of work means completion of the work in totality and acceptance / takeover of the same by the company. Partial or phase wise completion will have no bearing towards consideration of guarantee / defect liability period.

B.19. TERMS OF PAYMENT

Progressive R/A bills against the prayer of the contractor, for an amount of minimum 20% of the ordered value or as deemed justified by the Engineer-in-Charge / Controlling Officer shall be released against certification by the Supervising Officer after deducting the amount already paid or other amounts as may be deductible. Usually, the bills will be released within 30(thirty) days of its submission if all formalities as per terms of the contract is maintained, but time required for release of bills totally depends upon the availability fund; so, it can vary. The final bill shall be released on completion of the work in all respect and fulfillment of all contractual obligations by the contractor.

The company reserves the right to recover / enforce recovery of any overpayments detected after payment as a result of post-payment audit or technical examination or by any other means, notwithstanding the fact that the amount of disputed claims, if any, of the contractor exceeds the amount of such overpayments and irrespective of the fact whether such disputed claims of the contractor are subject matter of arbitration or not. The amount of such overpayment may be recovered from subsequent bill, under the contract, failing that from contractor's claim under any other contract with the company or from contractor's security deposit or from the amount retained or the contractor shall pay the amount of overpayment on demand.

The *Manager (F&A)*, Hooghly Region, WBSEDCL will be the Paying Officer of the work.

B.20. EXTENSION OF TIME

An extension of time without imposition of liquidity damage, may be granted for delay in execution of work provided there is no fault whatsoever on the part of the contractor. Such extension may only be granted on the basis of application to be submitted by the contractor who has to establish that the extension of time required by him is not due to his fault.

B.21. LIQUIDATED DAMAGE

If the Contractor shall fail to complete the works within the time prescribed herein or extended time for completion, then the Contractor shall pay to the WBSEDCL a sum amounting to 0.5% (half percent) of the value of works as liquidated damages of such default for every week or part of a week which shall elapse between the time prescribed or extended time as the case may be and the date of completion of the works subject to a maximum of 10% (ten percent) of the total contract price.

The WBSEDCL may, without prejudice to any, other method of recovery deduct the amount of such damages from any money in their hand due or which may become due to the contractor. The payment for deduction of such damages shall not relieve the contractor from his obligation to complete the works or from any other his obligations and liabilities under the contract.

An extension of time without imposition of liquidated damage, may be granted for delay in execution of work provided there is no fault whatsoever on the part of the contractor. Such extension may only be granted on the basis of application to be submitted by the contractor who has to establish that the extension of time required by him was not due to his fault. All the facts will be thoroughly examined by Engineer-in-Charge/ Controlling Officer and corresponding delay analysis will be done, based on that decision regarding the imposition/exemption of L.D. will be taken by the competent authorities of WBSEDCL.

B.22. DEDUCTION OF TAXES AND CESS

The contractor is required to follow the Building and other Construction Worker's welfare Act, 1996. Registration of his establishment under section - 7 of the Building and other Construction Worker's (Regulation and condition of service) Act, 1996 is to be made after the contract is awarded. 1% cess towards BOCWWC Act, 1996, will be deducted from its total amount of each bill. For these deductions certificate will be issued as per rules.

If it is obligatory under the provision of Income tax Act 1961 to deduct tax at source then the same will be deducted from the bills as applicable. TDS under GST to be deducted as per laws. Same has been already discussed in A.2.13.

B.23. DEDUCTIONS OF PROVIDENT FUND AND REMITTANCE THEREOF IN RESPECT OF CONTRACT LABOURERS

In respect of casual workers or workers engaged for any job for a very short duration or sporadic nature having no employer-employee relationship (any related work done by outer agency) and engaged in works which are neither preparatory, nor incidental, nor any way connected with the main operation of the establishment, deduction of provident fund and remittance thereof in respect of the contract labors will not be applicable. However it is further clarified that no mechanical approach should be adopted in deciding the applicability of the Act and each case should be considered on its own merits.

B.24. FORCE MAJEURE

The Contractor shall not be liable to pay any liquidated damage for delay / failure to perform the contract for reasons of force majeure such as acts of God, acts of the public enemy, acts of Governments, fire, flood, epidemics, quarantine restriction, strikes, freight embargos and provided that the contractor shall within 10 (ten) days from the beginning of such delay notify the Company in writing of the cause of delay. The Company shall verify the facts and grant such extension as found to be justified without imposing liquidated damage.

The department shall not be responsible or liable to pay any compensation for any interruption in your work at the site due to strike, lockout, riot, earthquake, flood, cyclone or civil commotion or any other force of accident due to any reason beyond control. The department shall not be held responsible to or liable to pay for any interruption in your work at the site arising out of resistance from the local public due to any resistance towards work.

B.25. SUB-LETTING OF CONTRACT

The Contractor shall not, without the written consent of the Company, assign or sublet his contract or any part thereof, other than of raw materials, or for any part of the work provided that any such consent shall not relieve the contractor from any obligation, duty or responsibility of the contract. In the event of sub-letting of contract or any part thereof is permitted, the fact that such permission has been accorded shall not establish any contractual relationship between the approved Sub vendor and WBSEDCL of any of his liabilities and obligations under the contract.

B.26. ENGINEER'S DECISION

Controlling Officer's decision is final in all respect of all matters which are left to the decision of the Controlling Officer including the granting of with-holding or certificates. If in the opinion of Contractor, a decision made by Controlling Officer is not in accordance with the meaning and intent of the contract, the Contractor may file with the Controlling Officer within 7 (seven) days after receipt of the decision. Failure to file an objection within the allotted time will be considered as acceptance of the Controlling Officer's decision and the decision shall become final and binding.

B.27. LIABILITY OF ACCIDENTS AND DAMAGE

The Contractor shall be responsible for the loss, damage or depreciation of the Company's materials while in their custody and until the same was taken over by the company. Until the completed work is taken over by the Company, the Contractor shall also be liable for and shall indemnify the Company in respect of all injury to person or damage to property resulting from negligence of the Contractor or his workman or sub-contractor or for defective workmanship etc.

Also, it must be clearly understood that WBSEDCL is indemnified by the contractor against payment of any compensation or award on account of any accident, injuries and damages and if any such payment has to be made by WBSEDCL under order of appropriate authorities, the same shall be recovered from the contractor.

B.28. SECURITY RULES

The bidder shall also provide necessary fencing and lights to protect the public from accident. Fire extinguishers shall be kept by the bidder at the site of works where there is risk of fire hazard. Adequate washing facilities shall be provided near the place of work.

When the work is done near any place where there is risk of drowning, all necessary equipments shall be provided and kept ready for use and all necessary steps taken for prompt rescue of any person in danger and adequate provisions shall be made for prompt first aid treatment of all injuries likely to be sustained during the course of work. These safety provisions shall be brought to the notice of all concerned by displaying on a notice board at a prominent place at the work spot.

The persons responsible for compliance of code shall be named by the bidder. To ensure effective enforcement of the rules & regulations relating to safety precautions, the arrangement made by the bidder shall be open to inspection by the employer and WBSEDCL. Notwithstanding the above clauses there is nothing in those to exempt the bidder from the operations of any other Act or Rule in force in the Republic of India.

All storage, handling & use of flammable liquids shall be under the supervision of qualified persons. First aid arrangements with the degree of hazard and with no. of workers employed shall be maintained in a readily accessible place throughout the whole of working hours.

B.28.1 Reporting of Accident

All accidents, major or minor, must be reported immediately to WBSEDCL and the contractor will provide first aid to the injured person immediately. The injured person shall report to the First Aid Station alongwith the "Injured on work" form as per appropriate proforma duly filled in quintuplicate and submit to the Medical Officer of the First Aid Station.

i. Serious Injuries

In case of serious injuries, the following procedure shall be adopted by the contractor.

- Taking the injured person to the hospital alongwith the "Injured on work" form duly filled in.
- Conveying the report of the accident to WBSEDCL.

ii. Fatal Accident

Fatal accidents must be reported immediately to WBSEDCL as well as to the Police.

B.28.2 Penalty

Failure to observe the Safety Rules will make the contractor liable to penalty by way of suspension of work and termination of contract. Adequate arrangement for proper lighting & guarding shall be made at the work site.

B.29. IDLE LABOR/ MACHINERY:

Whatever the reason may be, no claim for idle labor and machinery, additional establishment cost, hire and labor charges of tools & plants would be entertained by the Company, under any circumstances.

B.30. SETTLEMENT OF DISPUTES

All disputes concerning question of act arising under the contract shall be decided by the Owner / Company on receipt of written appeal by the Contractor. Any dispute or differences arising out in connection with this contract shall to the extent possible be settled amicably and where settlement cannot be reached then such disputes shall be subjected to settlement under the jurisdiction of Kolkata High Court.

B.31. COMPANY'S RIGHT TO TERMINATED CONTRACT

The following circumstances may lead to termination of the contract,

- i. If the contractor fails to start the work within a month from the date of issue of Letter of Intent / Work Order, the WBSEDCL shall have the right to cancel the Letter of Intent / Work Order with forfeiture of earnest money (Converted into initial security) without giving any notice to the contractor.
- ii. If the contractor neglects or fails to proceed with the work proportionate to the scheduled time of completion of the work or fails to complete the work within scheduled time for completion or within the extended time approved by the WBSEDCL, the WBSEDCL shall have right to terminate the Work Order / Letter of Intent after giving notice in writing to the contractor. If the contractor fails, after 14 (fourteen) days of such notice, to proceed with the work in the matter notified, the WBSEDCL shall terminate the contract and call the contractor to take joint measurement along with the Engineer for the finished portion of work. If the contractor does not appear for a joint measurement, ex-party measurement by the WBSEDCL will be taken as final. In that case the WBSEDCL may take possession of the work site and engage other agency to complete the work. Extra cost, if incurred to get the unfinished work done through other agency, will be realized from him, from his pending bills and security money. In the contract terminated as above, the contractor shall have no claim for compensation against the WBSEDCL for any loss or deterioration of any materials that he may have collected or engaged or entered into an account of the work.
