WBSEDCL

- v. Security deposit is to be deposited in the form of DD/ NEFT.
- vi. GST will be paid extra as per rule prevailing during the execution of the work.
- vii. The clause of 13 of ITB is additional to above clause.

6. Defect Liability Period:

- a. The term 'defect liability period' shall mean the period of 12 (twelve) months from the date of completion of work. If any defect/loss is found within the defect liability period, the contractor shall be liable to rectify/replace/recoup the materials at their own cost and responsibility.
- b. Defects/loss so notified shall have to be attended and completed satisfactorily within the specified date or as deemed justified by the Controlling Officer. For faithful & due fulfillment of all obligations, this defect liability period shall be covered by Security Money, already submitted by the contractor as mentioned above.
- c. After completion of defect liability period, and on completion of satisfactory rectification/recoupment of defects/loss, if any, reported within the defect liability period and on receipt of the application from the contractor the controlling Officer of the work shall recommend for release of the security money.

7. Liquidated Damages:

- a. In case of delay in delivery of materials within the stipulated time period, Liquidated Damage (LD) will be deducted @1/2% of the ordered value per week or part thereof up to 10 weeks. Thereafter LD @1% of the ordered value shall be deducted per week or part thereof subject to a maximum of total 10% of the ordered value.
- b. An extension of time without imposition of LD may be granted for delay in execution of work provided there is no fault whatsoever on the part of the contractor. Such extension may only be granted on the basis of application to be submitted by the contractor who has to establish that the extension of time required by him was not due to his fault. The approval of such extension is subject to approval from competent authority of WBSEDCL.

8. Force Majeure:

- a. The Contractor shall not be liable to pay any liquidated damage for delay / failure to perform the contract for reasons of force majeure such as acts of God, acts of the public enemy, acts of Governments, fire, flood, epidemics, quarantine restriction, strikes, freight embargos and provided that the contractor shall within 10(ten) days from the beginning of such delay notify the Company in writing of the cause of delay. The Company shall verify the facts and grant such extension as found to be justified without imposing liquidated damage.

WBSEDCL

- b. The department shall not be responsible or liable to pay any compensation for any interruption in your work at the site due to strike, lockout, riot, earthquake, flood, cyclone or civil commotion or any other force of accident due to any reason beyond control. The department shall not be held responsible to or liable to pay for any interruption in your work at the site arising out of resistance from the local public due to any resistance towards work.

9. Company's right to terminate the contract:

- a. If the contractor neglects or fails to proceed with the work/supply proportionate to the scheduled time of completion of the work or fails to complete the work within scheduled time for completion or within the extended time approved by the company, the company shall have the right to terminate the order/letter of intent after giving notice in writing to the contractor. If the contractor fails after 14 days of such notice, to proceed with the work in the manner notified, the company shall terminate the contract and call the contractor to take joint measurement along with the Engineer for the finished portion of work. If the contractor does not appear for a joint measurement, ex party measurement by the company will be taken as final.
- b. In that case the company shall take possession of the work site and may engage other agency to complete the work/ supply the required materials. Extra cost if incurred to get the job done through other agency will be realized from him, from his pending bills and security money. If the contract is terminated as above, the contractor shall have no claim for compensation against the company for any loss or deterioration of any materials that he may have collected or engaged or entered into on account of the work.

10. Risk Purchase: - The time of delivery (offer for inspection) or physical dispatch stipulated in the purchaser order shall be deemed to be of the essence of the contract and if the supplier fails to deliver or inspection any consignment within the period prescribed for such delivery or dispatch in the said purchase order /contract/letter of intent ,the purchaser shall be entitled to purchase such consignment pr it not available , the best and nearest available substitute elsewhere on the account and at the risk of the supplier or to cancel the contract and the supplier shall be liable to compensate for any loss or damage which the purchaser may sustain by reason of such failure on the part of the supplier tender is not executed fully .

11. Controlling Officer: The Divisional Engineer (E), JHP, WBSEDCL.
