TERMS & CONDITIONS OF CONTRACT

1. **Scope of Work:** "Repair/Replacement of electrical wiring and illumination system for driver's room attached to Inspection Bungalow and Power house of Little Rangit Hydel Power Station, under Mini Micro Hydel Division, Kurseong" as per the schedule of work in ANNEXURE-A
2. **Price:** The total price is to be quoted as per schedule of work (Annexure-A, attached) and should be net and firm inclusive of all incidental charges. The Provision of Taxes and Duties, if any, shall be governed by Govt. rules.
3. **Completion period:** Time is the essence of contract. The work is to be completed in all respect within 30(thirty) days from the date of issuance of Letter of intent/LOA/PO.
4. **Payment:** Payment will be made through NEFT/RTGS to you on submission of Tax Invoice in triplicate to the Controlling officer along with necessary documents. Necessary bank charges will be borne by you. You need to provide your bank accounts details such as IFSC code, A/C number along with bill to be submitted in GST prescribed format.
5. **Defective Materials:** If in the opinion of the Controlling Officer, any of the materials brought to the site for use are not of the quality of kind specified in the contract and/or are unfit for the works, he shall be at liberty to order the removal of the said materials and the contractor shall remove the same within 24 (twenty four) hours after notice has been given to him and if he fails to remove them within the time, the Controlling Officer may cause them to be removed anywhere at the risk of the Contractor and any cost incurred in doing so shall be deducted from the dues to the contractor under the contract.
6. **Safety of Materials:** The agency will be held responsible for any loss; damage caused to the material while carrying out the maintenance job and shall be liable to pay the amount of loss to be determined by joint inspection conducted by the representative of the store or Technical personnel of the department and the representative of the contractor.
7. **Extension of Time:** An extension of time without imposition of penalty, may be granted for delay in execution of work provided there is no fault whatsoever on the part of the contractor. Such extension may only be granted on the basis of application to be submitted within the schedule date of completion by the contractor who has to establish that the extension of time required by him is not due to his fault.

(a) Causes for Extension of Time for Completion:

The Contractor may claim an extension of the Time for Completion if the work is delayed due to any of the following causes:

- (i) Extra or additional work ordered in writing by WBSEDCL.
- (ii) Suspension of work ordered in writing.
- (iii) Delay by any other Contractor engaged by WBSEDCL, affecting this Contract.
- (iv) The WBSEDCL's Risks, if any when they constitute the sole reason for the delay in completion of Works
- (v) Delay in hand over of site by WBSEDCL.
- (vi) Force Majeure.

The Contractor shall give notice to WBSEDCL of his intention to make a claim for an extension of time within 7 days of the occurrence of any of the above cause(s). The notice shall be followed as soon as possible by the claim with full supporting details.

8. **Liquidated Damage:** If the Contractor fail to complete the works within the time prescribed herein or extended time for completion, then the Contractor shall pay to the Company a sum amounting to half percent (1/2%) of the value of works as liquidated damages for such default for every week or part of a week which shall elapse between the time prescribed or extended time as the case may be and the date of completion of the works subject to a maximum of ten per cent (10%) of the total contract price. The Company may, without prejudice to any, all other method of recovery deduct the amount of such damages from any money in their hand due or which may become due to the contractor. The payment or deduction of

such damages shall not relieve the contractor from this obligation to complete the works or from any other of his obligations and liabilities under the contract.

9. Force Majeure:

(i) Definition of Force Majeure

Force Majeure means any circumstances beyond the control of the parties, including but not limited to:

- (a) War and other hostilities, (whether war be declared or not), invasion, act of foreign enemies, requisition or embargo.
- (b) Rebellion, revolution, insurrection, military or usurped power and civil war.
- (c) ionizing radiation or contamination by radio activity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel, radio-active toxic explosives, or other hazardous properties of any explosive nuclear assembly or nuclear components thereof.
- (d) Riot, commotion or disorder, except where solely restricted to employees of the Contractor or of his sub-contractors.
- (e) Earthquake, Flood, Cyclone and such other natural disaster affecting Contractor's work.

(ii) Effect of Force Majeure

Neither party shall be considered to be in default of in breach of his obligations under the Contract to the extent that performance of such obligations is prevented by any circumstances of Force Majeure which arise after the date of the Letter of Award or the date when the Contract becomes effective, whichever is the earlier.

(iii) Notice of Occurrence

If either party considers that any circumstances of Force Majeure have occurred which may affect performance of his obligations, he shall promptly notify the other party.

(iv) Performance to Continue

Upon the occurrence of any situation of Force Majeure, the Contractor shall endeavour to continue to perform his obligations under the Contract so far as reasonably practicable. The Contractor shall notify the Engineer-in-Charge of the steps he proposes to take including reasonable alternative means for performance which is not prevented by Force Majeure. The Contractor shall not take any such steps unless directed to do so by the Engineer-in-Charge.

10. Security Money : The successful tenderer shall within 14 (fourteen) days of receipt of an intimation in writing to the effect that his tender is accepted by the Company, shall submit his acceptance in writing failing which the tender will automatically be treated as cancelled and earnest money will be forfeited. On receiving tenderer's acceptance for the work, the earnest money deposited with the tender will be automatically converted to form a part of security money. An additional sum of security money, if required, shall have to be deposited by the successful tenderer to constitute initial security money of 2.50 % (two point five zero per cent) of ordered value. Further additional security money @ 0.50 % (Zero point five zero per cent) from final bill shall be deducted so that the total deduction together with 2.50 % (two point five zero per cent) security money already taken shall constitute not less than 03.00% (Three per cent) of the total value of works as actually done. All security money shall be refunded, either in full or part as the case may be, after 1 (One) year from the date of satisfactory completion of the work.

11. Refund of EMD: In case of unsuccessful bidders, earnest money deposit will be refunded after final tender in the bank account as provided in the annexure-I (To be filled up by the bidder on bidder's head). For successful bidder it will be dealt as per clause security deposit.
